Dear Reader,

I have worked very closely with Andrea Hull during the last 18 months, while she has served as a Creative and Design Manager in my department. Andrea has excelled in this role and maintained one of the highest levels of productivity and creativity in her department, during her career at Markham. Andrea produced high volume of work while maintaining high standards for quality and accuracy.

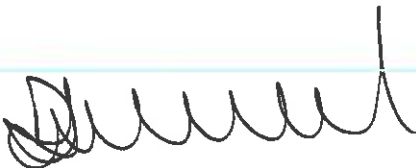

Andrea possesses the ultimate "can do" attitude while taking on all tasks with positive energy and a smile. Her upbeat personality and engaging personal style, enables her to interact effectively with suppliers, peers and management. Andrea is very well organized and kept track of all the details necessary, which allowed her to run her department efficiently.

Andrea takes initiative to go beyond the expected parameters of her job. All the intangibles that lead to success in the workplace are in order with Andrea. There will be no unpleasant surprises and I am confident she will fit in and add lots of value to whichever project she avails herself.

I volunteered to write this recommendation for Andrea because I am very grateful for her positive contribution to our office and am very confident that she has the intelligence, work ethic and communications skills to add value wherever she works.

I certainly wish her all the best with her new venture, and all the best with her future.

Sincerely,

Riaan van der Merwe,

Senior Marketing Manager
